ABOUT RB PARTNERS

RMG Partners merged with RB Partners in 2017 to enable more effective investment and M&A activity

RB Partners

RB Partners is an international group of companies set up in 2004 to focus on investment and banking services to Russian and international mid-cap companies. Since 2004, RB Partners has successfully completed more than 80 M&A preparation and support projects worth over \$2.5bn in total. In 2010, RB Partners joined the international Globalscope M&A Association (www.globalscopepartners.com), which has a membership of more than 50 investment consultancies in 41 countries and is particularly focused on M&As and corporate finance.

RMG Partners

The RMG brand representing the same group of senior executives has been in the Russian market since 1993. RMG Partners help to increase the corporate value and investability of clients. We work with fast-growing companies in need of valuation and fundraising, providing business development strategies and identifying future growth drivers. RMG Partners provide operational support and pre-investment services, help to find international partners and streamline capital transactions.
